

Homework for December 6th

- Read Pages 42-51 in 7 Strategies Book
- Self-assess yourself on Section 2 of CHETL. Place a star by the characteristics you currently do well and a triangle where you need to be more intentional about the use.
- Try out the “Sandwich Model” in a class or particular content area. Use Learning Targets along with Formative Assessments. Be ready to discuss at the next meeting. You can bring examples too.
- On the Graphic Organizer you were given on Monday titled, Assessment Literacy, mark the 8 statements on whether you agree or disagree. (This is the be used with the article Putting Testing in Perspective that was given at the first meeting)
